1 Dodge 2 Ω To your knowledge, has Fox Asset

- 3 Management ever consulted with the
- 4 Steelworkers Pension Trust prior to making
- 5 an investment decision on behalf of the
- 6 Steelworkers Pension Fund's behalf?
- 7 Α To the best of my knowledge, that has
- 8 never happened.
- 9 Has Fox Asset Management ever been
- 10 asked by the Steelworkers Pension Trust
- 11 after an investment decision was made what
- 12 the basis for the decision was?
- 13 Α Not that I'm aware of.
- 14 0 Is that typical for large pension
- 15 investors like the Steelworkers Pension
- 16 Trust?
- 17 Α I think it's quite normal that the
- 18 fiduciaries would not ask questions about
- 19 additional securities in the portfolio.
- 20 Other than the discussion that you
- 21 mentioned during the most recent annual
- 22 meeting, are you aware of any discussions
- 23 between Fox Asset Management and the
- 24 Steelworkers Pension Trust concerning Veeco
- 25 Instruments?

- 2 To the best of my knowledge and Α
- 3 according to our records, no.
- 4 0 What do you mean about Veeco's
- 5 business, the nature of it?
- 6 Α I don't know a lot, to be honest with
- 7 vou. It's electronic instruments and
- 8 devices used for the manufacturer of
- 9 microelectronic parts located in New York or
- 10 Long Island, relatively small company, and
- 11 that's about the extent of my knowledge.
- 12 Do you know if Fox Asset Management
- at any point during the last three years has 13
- 14 ever communicated directly with anyone
- 15 employed by Veeco Instruments?
- 16 I believe there's been some contact
- 17 with the investor relations person by Peter
- 18 Skirkanich, but I cannot confirm that.
- 19 Why do you think that such a
- 20 communication may have taken place? 21
- Because I've discussed the situation 22 with members of the staff who were here
- 23 during that period, and that's the best
- 24 recollection that I can find among the staff
- 25 members of any contact.

- 2 Α I am not aware of any, no.
- 3 Q And I used the word "discussions,"

- 6 Yes. That wouldn't be any cause to
- 7 change -- still, to the best of my
- knowledge, obviously, as I said, there's a 8
- 9 client service function here.
- 10 Q Yes.
- 11 Α And to the extent of my knowledge of
- 12 that, not knowing all and everything that
- 13 Phil Sloan does on every given day with any
- 14 given account, I would say there has been
- 15 none.
- 16 Q Look back at the Dodge Exhibit 1 to
- 17 page 4 of 10 which we were looking at
- 18 before, paragraph 15, subpart B which states
- 19 that Fox is expected to be able to produce
- 20 upon request of the client documentation of

- 22 Α Yes.
- 23 Ω Did the Steelworkers Pension Trust
- 24 ever request any documentation of the sort
- 25 referenced in this subpart to paragraph 15?

Dodge

- 2 Q Do you know approximately when that
- 3 communication may have taken place?
- 4 Α No. There's no specific recollection
- 5 of when, other than there was some effort by
- 6 Mr. Skirkanich to maintain regular contact
- 7 with the investor relations contact person.
- 8 Q Do you know who that investors
- 9 relations contact person was?
- 10 I do not, no, and I asked members of
- 11 the staff that were most familiar, and the
- 12 answer I got was if I saw, I believe, this
- 13 woman's name I would remember it, but none
- of them remember that person's name off the 14
- 15 top of their head.
- 16 Okay. I take it that they remember
- 17 it was a woman rather than a man?
- 18 I would say that's speculation. I'm
- 19 not sure.
- 20 Q Okay. Fine. I believe that you
- 21 previously described Veeco Instruments as a
- 22 company in the high-tech or electronic
- 23 instruments sector; is that correct?
- 24 Α I think that's a fair representation
- 25 of what I said, yes.

4 A We're not going to allow a stock to 5 just keep going down and it was

9 Q What other factors made you consider

10 to sell other than the price earnings ratio?

4 A I'm sorry. Could you repeat that or

5 rephrase the question?

6 Q What is the general manner which Fox

7 Asset Management does to monitor the

8 performance of investments?

9 A Well, we have people that watch them

10 almost on a daily basis. The investment

11 committee meets weekly or about weekly and

12 considers important movement in Fox. Any

13 stocks that move significantly in any

14 direction is discussed most often.

We have quarterly reviews where we review the account situation as part of an

17 account review. Like I said, that's on a

18 quarterly basis. So some aspects daily,

19 other aspects roughly weekly and formal

20 reviews on a quarterly basis.

21 Q Do you recall any discussion of Fox

24 A I do not.

3 A I don't recall any and I don't have

4 any.

5 Q Well, how did you become aware that

7 securities at that time?

8 A I looked at the transaction summary,

9 which is what is Exhibit 12, redacted, and

10 also I inquired of the various members of

11 the investment staff who would have executed

12 the order and what the reason for it was.

13 Q Okay. Am I correct that you didn't

14 know about the decision at the time it was

15 made?
